

FOR IMMEDIATE RELEASE –

Ukraine House Davos 2026: Resilience, Innovation, and Global Partnerships alongside the World Economic Forum

Davos, Switzerland, January 14, 2026 – Ukraine House Davos proudly returns for its eighth year as a beacon of unity, resilience, and opportunity alongside the World Economic Forum in Davos, Switzerland, from January 19–22, 2026.

Recognized as **the leading platform for Ukraine’s voice** during the forum, Ukraine House Davos unites global leaders, visionaries, and changemakers to spotlight Ukraine’s remarkable journey, one defined by courage, ingenuity, and an unwavering commitment to a brighter future for Europe and the world.

Co-organized by UMAEF, Victor Pinchuk Foundation, and Horizon Capital, Ukraine House Davos 2026 will convene senior government officials, business leaders, investors, policymakers, and media for a dynamic program of high-level discussions and interactive sessions.

As Ukraine approaches the fourth year of Russia’s full-scale invasion, the world’s attention is fixed on this courageous nation’s remarkable resilience, ensuring a just and sustainable peace for Ukraine and a its rightful place in Europe, and the boundless opportunities that lie ahead. A platform for vision and action, this year’s program is anchored in the belief that Ukraine’s frontline experience and innovative spirit are shaping not only the nation’s recovery, but also the future of Europe.

From pioneering advancements in technology and energy to forging new economic partnerships, Ukraine House Davos 2026 will showcase a country driving innovation and dynamism amid adversity.

“At this pivotal moment, Ukraine House Davos is honored to present the world with a vision of hope, strength, and partnership,” said *Ulyana Khromyak, Executive Director of Ukraine House Davos*. “Our program will highlight the extraordinary resilience and ingenuity of the Ukrainian people and invite the global community to join us in building a more secure, innovative and prosperous future for all.”

Program Highlights Include:

- **A Shared Vision for a Just and Sustainable Peace in Europe:** Exploring the foundations of lasting peace—sovereignty, justice, accountability, and human dignity.
- **Europe’s Future Energy Powerhouse:** Accelerating Ukraine’s energy transformation to capitalize on its untapped gas reserves, strong distributed generation potential and vast infrastructure.
